

Klickitat County Port District No. 1
Change Order
 2011-01 - Bingen Point Site Prep Engineering

Date	August 23, 2011
Requester	Marc Thornsburg

Title	On-site Geotechnical Inspection and Evaluation
Description	Geotechnical firm contracted by J-U-B Engineers to examine the surface of Lot 24 after Contractor removal of unsuitable material and determine if additional material should be removed. If additional material to be removed, provide appropriate instructions to Contractor for remaining work including identifying areas, boundaries, and target depths.
Reason	Necessary to insure Contractor removed all unsuitable material, or the quantity of unsuitable material reasonably necessary for Port's expected future use, from Lot 24 before the start of embankment/fill work.

Target Completion	August 25, 2011
Timeline Impact	None.
Cost Impact	Additional cost of \$1,280.00.

	Port of Klickitat	J-U-B Engineers, Inc.
Agreed On	August 23, 2011	August 31, 2011
Agreed By	MARC THORNSBURG, Ex. Dir.	Bon W. Volk, Area Mgr.
