PORT OF KLICKITAT
Notes to Financial Statements
January 1, 2001 through December 31, 2001

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The Port of Klickitat (the "Port"), was incorporated in 1945 and operates under the laws of the State of Washington applicable to public port districts.

1. **Reporting Entity** - The Port of Klickitat is a special purpose government entity which provides marine terminal, marina and industrial park facilities and services to the general public. Port operations are supported through a combination of user charges, ad valorem taxes levied for operations, capital improvements and debt service, and timber taxes.

The following is a summary of the more significant policies, including identification of those policies which result in material departures from generally accepted accounting principles.

2. **Basis of Accounting and Presentation** - The accounting records of the Port of Klickitat are maintained in accordance with methods prescribed by the State Auditor under the authority of Chapter 43.09 RCW. The Port uses the Budgeting, Accounting and Reporting System (BARS) for Proprietary-Type Districts (unclassified).

The accounts of the Port are maintained on the basis of funds. For reporting purposes, the activities of all the Port's funds are combined.

The Port uses the cash basis at accounting where revenues are recognized only when received and expenses are recognized when paid.

3. **Cash** - It is the Port's policy to invest all temporary cash surpluses. The amount is included on the statement of revenues and expenses arising from cash transactions as net cash and investments.

4. **Deposits** - The Port's deposits are covered by the Federal Deposit Insurance Corporation.

5. **Fixed Assets** - Major expenses for fixed assets, including capital leases and major repairs that increase useful lives, are recorded as expenses when purchased. There is no capitalization of fixed assets, nor allocation of depreciation expense. Inventory is expensed when purchased. Maintenance, repairs, and minor renewals are accounted for as expenses when paid. (Obligations under capital leases are disclosed in Note #4).

6. **Investments** - See Note (Investments Note #2)

7. **Compensated Absences** - Vacation pay may be accumulated to a maximum amount which is limited to the employee's amount of vacation hours accrued during a 24-month period, (which may not exceed 240 hours) and is payable upon separation or retirement.

Sick leave may accumulate up to 1,056 hours. Upon separation or retirement, employees do receive payment of unused sick leave up to a maximum of 120 hours.

Compensatory leave time may accumulate up to 80 hours per hourly employee, unless approved by both the employee and Port manager. The employee may elect to receive compensatory time off instead of cash payment for overtime pay (both are computed at 1.5 times the hours worked).

8. **Long-Term Debt** - See Note (Long-Term Debt and Capital Leases Note #4)

9. Risk Management - The Port of Klickitat is a member of the Washington Governmental Entity Pool (WGEP). Chapter 48.62 RCW authorizes the governing body of any one or more governmental entity to form together into or join a pool or organization for the joint purchasing of insurance, and/or joint self-insuring, and/or joint hiring or contracting for risk management services. An agreement to form a pooling arrangement was made pursuant to the provisions of Chapter 39.34 RCW, the Interlocal Cooperation Act.

The Pool was formed July 10, 1987, when two (2) counties and two (2) cities in the State of Washington joined together by signing an Interlocal Governmental Agreement to pool their self-insured losses and jointly purchase insurance and administrative services. The Pool now services cities, counties, health districts, port districts, water and irrigation districts, fire districts, mosquito and weed control districts, library districts, air pollution districts, area on aging, regional mental health support networks, cemetery, park & recreation and conservation districts.

The Pool allows members to jointly purchase excess insurance coverage, share in the self-insured retention, establish a plan for total self-insurance, and provide excellent risk management services and other related services. The Pool provides "occurrence" policies for all lines of liability coverage including Public Official's Liability. The Property coverage is written on an "all risk" basis, blanket form using current Statement of Values. The Property coverage includes mobile equipment, electronic data processing equipment, valuable papers, building ordinance coverage, property in transit, extra expense, consequential loss, accounts receivable, fine arts, inventory or appraisal cost, automobile physical damage to insured vehicles. Boiler and machinery coverage is included on a blanket limit of \$50 million for all members. The Pool offers employee dishonesty coverage up to a liability limit of \$1,000,000.

Members make an annual contribution to fund the Pool. The Pool acquires insurance from unrelated underwriters that are subject to a "per occurrence" \$250,000 deductible on liability loss, \$25,000 deductible on property loss, and \$2,500 deductible on boiler and machinery loss. The member is responsible for the first \$1,000 of the deductible amount of each claim, while the Pool is responsible for the remaining \$249,000 on liability losses, \$24,000 on property loss, \$1,500 on boiler and machinery loss. Insurance carriers cover all losses over the deductibles as shown to the policy maximum limits. Since the Pool is a cooperative program, there is a joint liability among the participating members.

The contract requires members to remain in the pool for a minimum of three (3) years and must give notice 60 days before terminating participation. Members joining after October 2000 join the pool with one (1) full fiscal year commitment and must give notice six (6) months before terminating participation. The Interlocal Governmental Agreement is renewed automatically each year after the initial three (3) year period. Even after termination, a member is still responsible for contribution to the Pool for any unresolved, unreported and in-process claims for the period they were a signatory to the Interlocal Governmental Agreement.

The Pool is fully funded by its member participants. Claims are filed by members with the Washington Governmental Entity Pool, and are administered in house.

A Board of Directors consisting of seven (7) board members governs the Pool. Its members elect the Board and the positions are filled on a rotating basis. The Board meets quarterly and is responsible for conducting the business affairs of the Pool. The Port experienced no claims in 2001, and anticipates none in 2002.

NOTE 2 - INVESTMENTS

1. Investments - The Port's investments are either insured, registered or held by the Port or its agent in the Port's name.

Investments by type at December 31, 2001 are as follows:

<u>Type of Investment</u>	<u>Balance</u>
Local Governmental Investment Pool (L.G.I.P.)	
L.G.I.P. - General	\$ 474,625
L.G.I.P. - General Unexpended KC Grant Funds	\$ 111,000

L.G.I.P. - Security Deposits-Property Rentals	\$ 9,375

2. **Derivatives and Similar Transactions** - The Port held no derivatives or similar transactions.

NOTE 3 - PROPERTY TAXES

The county Treasurer acts as an agent to collect property taxes levied in the county for all taxing authorities. Collections are distributed at the end of each month. Property tax revenues are recognized when cash is received by the Port. Delinquent taxes are considered fully collectible because a lien affixes to the property when taxes are levied. The Port's regular levy for 2001 was \$0.23460287 per \$1,000 on an assessed valuation of \$639,378,358 for a total regular levy of \$150,000.

NOTE 4 - LONG-TERM DEBT AND CAPITAL LEASES

The accompanying Schedule of Long-Term Debt (09) provides a listing of the outstanding debt of the Port and summarizes the Port's debt transactions for 2001. More detailed listings of long-term debt are attached as Exhibits "A" and "B". The debt service requirements, including interest (and capital lease payments) are as follows:

These funds are expected to fund the 1994 bond debt service and the redemption of the 1970 bonds which have been called.

NOTE 6 - PENSION PLANS

In 1995, the Port Commission authorized participation for the Port's present eligible employees to enter into the Public Employees Retirement System. At that time, the Port elected to pay PERS the employer's portion of prior service credits for Port employees (amounting to \$11,454) at an installment rate over 15 years. One employee did not satisfy his employee's portion of his prior service credits prior to separating, so the Port is servicing his expense of \$3,995.01 at an installment rate over 15 years. The adjusted monthly payment due is \$91.98 and the outstanding balance on December 31, 2001 was \$9,684.15.

Substantially all Port of Klickitat full-time and qualifying part-time employees participate in one of the following statewide retirement systems administered by the Washington State Department of Retirement Systems, under cost-sharing multiple-employer public employee defined benefit and defined contribution retirement plans. The Department of Retirement System (DRS), a department within the primary government of the State of Washington, issues a publicly available comprehensive annual financial report (CAFR) that includes financial statements and required supplementary information for each plan. The DRS CAFR may be obtained by writing to: Department of Retirement Systems, Communications Unit, P.O. Box 48380, Olympia, WA 98504-8380. The following disclosures are made pursuant to GASB Statement No. 27, *Accounting for Pensions by State and Local Government Employers*.

Public Employees' Retirement System (PERS) Plans 1 and 2

Plan Description

PERS is a cost-sharing multiple-employer retirement system. Membership in the system includes: elected officials; state employees; employees of the Supreme, Appeals, and Superior courts (other than judges in a judicial retirement system); employees of legislative committees; college and university employees (not in national higher education retirement programs); judges of district and municipal courts; and employees of local governments.

The PERS system includes two defined benefit pension plans. Participants who joined the system by September 30, 1977, are Plan 1 members. Those joining thereafter are enrolled in Plan 2. Retirement benefits are financed from employee and employer contributions and investment earnings. Retirement benefits in both Plan 1 and Plan 2 are vested after completion of five years of eligible service. Retirement benefit provisions are established in state statute and may be amended only by the state legislature.

Plan 1 members are eligible for retirement at any age after 30 years of service, or at age 60 with five years of service, or at age 55 with 25 years of service. The annual pension is two percent of the average final compensation per year of service, capped at 60 percent. The average final compensation is based on the greatest compensation during any 24 eligible consecutive compensation months. If qualified, after reaching age 66 a cost-of-living allowance is granted based on years of service credit and is capped at three percent annually.

Plan 2 members may retire at age 65 with five years of service, or at age 55 with 20 years of service, with an allowance of two percent per year of service of the average final compensation. Plan 2 retirements prior to 65 receive reduced benefits. If retirement is at age 55 with 30 years of service, a 3 percent per year reduction applies, otherwise an actuarial reduction will apply. There is no cap on years of service credit and a cost-of-living allowance is granted, capped at three percent annually.

There are 1,177 participating employers in PERS. Membership in PERS consisted of the following at December 31, 2000:

Retirees and Beneficiaries Receiving Benefits	61,088
Terminated Plan Members Entitled to But Not Yet Receiving Benefits	17,314
Active Plan Members Vested	98,018
Active Plan Members Nonvested	54,243
Total	230,663

Funding Policy

Each biennium, the state Pension Funding Council adopts Plan 1 employer contribution rates and Plan 2 employer and employee contribution rates. Employee contribution rates for Plan 1 are established by statute at six percent and do not vary from year to year. The employer and employee contribution rates for Plan 2 are set by the director of the Department of Retirement Systems based on recommendation by the Office of the State Actuary to continue to fully fund the plan. All employers are required to contribute at the level established by state law. The methods used to determine the contribution requirements are established under state statute in accordance with chapters 41.40 and 41.45 RCW.

The required contribution rates expressed as a percentage of current year covered payroll, as of December 31, 2001, were:

	PERS Plan 1	PERS Plan 2
Employer	1.77% *	1.77% *
Employee	6.00%	0.88%

* The employer rates include the employer administrative expense fee currently set at 0.23%.

Both the Port of Klickitat and the employees made the required contributions. The Port's required contributions for the years ending December 31 were:

	PERS Plan 1	PERS Plan 2
2001	\$ 0	\$ 3,350.57
2000	\$ 0	\$ 4,098.44
1999	\$ 0	\$ 5,322.06

NOTE 7 - CONTINGENCIES AND LITIGATIONS

In the opinion of management, the Port's insurance policies are adequate to pay all known or pending claims.

In various years, the Port participates in a number of federal-and state-assisted programs. These grants are subject to audit by the grantors or their representatives. Such audits could result in requests for reimbursement to grantor agencies for expenditures disallowed under the terms of the grants. Port management believes that such disallowances, if any, will be immaterial.

The Port's employee's share of their PERS prior service credits was \$3,769.62 as of December 31, 2001, which is addressed in Note 6 - Pension Plans.

NOTE 8 - OTHER DISCLOSURES

The Port executed a building/property sale September 18, 1997, in the amount of \$352,767, which granted a Real Estate Contract in the amount of \$309,319, requiring monthly payments of \$5,000 for principal and interest beginning October 1, 1997, at a rate of 10% interest. The contract balance as of December 31, 2001 was \$157,169. The principal balance will be due in full on October 1, 2004.
