To be placed on the Port's Small Works Roster, contractors must **complete and sign this application** and **attach IRS Form W-9**. Applications must be **mailed or delivered** to the Port at the above address. **Incomplete, faxed, or unsigned applications will not be accepted.** Federal law requires the Port to have a Federal Tax ID or Social Security number on file for all vendors subject to Form 1099 payments or to withhold twenty percent (20%) of Form 1099 reportable payments if one of these numbers is not on file. To remain on the roster, a new application must be filed every three years.

The Port of Klickitat complies with the prevailing wage law of the State of Washington (RCW 39.12) and requires all contractors to comply. **Except for individual owner/operators, and unless otherwise stated, all estimates, quotes, and bids provided to the Port by any contractor shall be based on the payment of prevailing wages.**
