Who:.....Port of Klickitat
What:.....Community Meetings
When:.....Sep. & Oct., 2012
Where:.....Various Locations
Quick Facts:.....The Port will be attending various community meetings throughout September and October to provide information about the Port and answer questions from its constituents.

“It's difficult for some of our constituents to come visit the Port or attend a Port Commission meeting,” said Port Commissioner Bill Schmitt. “So we periodically try to bring the Port to them. It's an opportunity to learn more about what the Port has been doing and to find out what's on the horizon.” For more information, contact the Port at 509-493-1655.

About the Port of Klickitat

Economic development, transportation, and marine-based recreation are key functions of the Port of Klickitat. These are achieved through leasing industrial-zoned property, developing and renting industrial and commercial facilities, developing and maintaining rail spurs and dock facilities, assisting companies with an interest in locating in Klickitat County, creating and managing marine-based recreational facilities, and working closely with various partner organizations and agencies.

The Port of Klickitat is located in Klickitat County, Washington and was created in 1944. It is one of several port authorities located in the mid-Columbia region. It owns two industrial parks and several buildings, leases industrial property and space, operates a barge dock, and holds property set aside for a park and marina. Transportation access is provided via rail, river barge, highways 14, 35, and 197, and Interstate 84. More information can be found on the Port's web site at www.portofklickitat.com.
